EDITOR'S NOTE

SACRED SPACE

"The best time for new beginnings is now." March and April bring a sense of excitement as students look forward to the end of exams, and the freedom of upcoming holidays. Teachers too, share in this sense of anticipation, welcoming the much-awaited respite, after a bustling year of guiding, mentoring, and managing school activities.

.....Contd

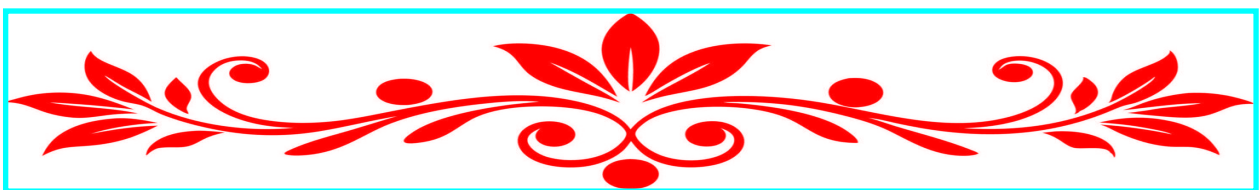

For students, summer is a chance to explore new experiences and build skills beyond the classroom; whether it's reading, learning a new language, or enjoying the outdoors. Creative hobbies and community service spark curiosity and responsibility. Visiting one's native place and spending time with grandparents can be a refreshing change for students, who have been glued to phones and laptops. It offers a chance to disconnect from screens, reconnect with roots, and gain valuable life lessons through stories, traditions, and real-world experiences.

Summer also offers teachers a much-needed chance to reflect, recharge, and reconnect. Whether traveling, pursuing hobbies, or simply unwinding, they make the most of the break to spend quality time with family, catching up on moments missed during the busy school year. Sharing meals, planning outings, or enjoying simple joys at home, helps create lasting memories. It's also an opportunity to invest in professional growth through reading, or exploring new teaching strategies. As they gear up for the new school year, organizing resources and planning creative lessons, ensures they're ready to inspire students once again.

So, this summer, step away from the screens, dive into new experiences, and let life itself be your greatest teacher!

KG GRADUATION DAY

The NSN Group of Schools celebrated Kindergarten Graduation Day, on 1.3.25, with vibrant performances and cherished moments.

Dr. N. Sri Prathiba Mahalakshmi, M.S. (OG), our alumna, graced the event as the Chief Guest.

The celebration began with a grand red-carpet welcome, followed by a prayer song by UKG students, and a lively welcome dance by the Pre-KG children. The graduating KG students captivated the audience with a heartfelt song. The highlight of the evening was the Krishna-themed performances, where the students of LKG and UKG brought Krishna's divine stories to life, depicting Kaalinga Narthanam, Vrindavan's protection, and the Raas Leela. A breathtaking tableau illustrated Krishna's journey from childhood to his role as a Guru.

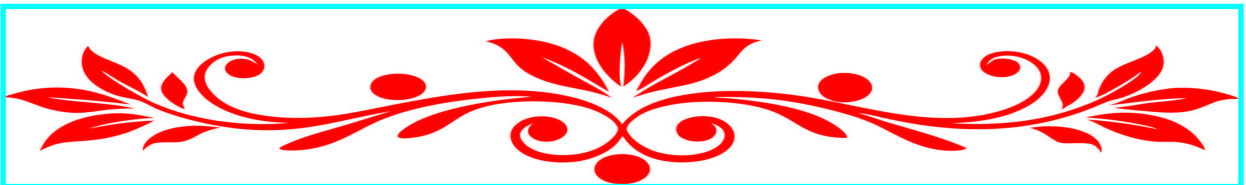

The evening was a perfect blend of joy, devotion, and celebration, marking a memorable milestone for our young graduates, as they step into their next phase of learning.
